6PM - 9PM

December 5 – Art After Hours at The Waters – Doors Open at 7pm

TED WILCOX

This collection of paintings is based on the winds of change, and how quickly the landscape as well as your life can change in a blink of an eye

Art, can I live without it?
Do I need it to be happy?
Do I need it to be whole?

If art is what I need and what defines my every waking day, then an artist I am.

For art is innate to me, it is what drives my day. Art is the colorful path that leads me through life.
